## from the baron

Good gentles,

War is coming at last! Please take the time to ensure you have all you require and have Safe and uneventful travels.

Yours,
**Baron Samuel**

## from the seneschal

As the days gradually grow longer, unto the great populace of Unser Hafen, do I, EllaAnne, send greetings.

Do you hear the war drums calling us to War? Will you be there? Check into the Unser Hafen Yahoo newsgroup for information on who is traveling, when, and whether they have room for an additional passenger... If you are traveling to Estrella, take a moment to post your information on the list. Please include whether or not you have room for a person, some gear, extra tent poles or weapons, etc. William and I are heading to our first Estrella this year with great anticipation.

As we move into the New Year, I have challenged all the officers in the Barony to define their SCA dreams for the Barony. We started talking about those dreams at the officer's meetings (to which you are always welcome), and we are working on plans to make those dreams reality. I challenge each of you, as well, to think back on some of your favorite moments in the SCA, to think forward on what you would like to do in the SCA this year, and to take a moment to talk to me or another officer about your ideas. I look forward to hearing from you!

Our next local event will be Luck of Hero's in Late April -- so, between now and then, I look forward to meeting you at one of the upcoming events hosted by our near and dear neighbors in Caer Galen, Caerthe, Dragonsspine, and beyond.

Our next officer's meeting will be on February 22, 2007 at 7pm in Lory Student Center, room 210. If you have time that Thursday evening, please come join us.

In Service to the Dream, I remain....

**Lady EllaAnne deKari**
Seneschal, Unser Hafen

## From the Rapier Marshal

Greetings to the good populace of Unser Hafen from your Rapier Marshal.

WAR!!! That's right, war is upon us so break out your camping gear and let's begin this years camping season with a bang. We have been preparing for war over the last few months, and under the leadership of The Protector of Unser Hafen, Lord Saito Takauji, Unser Hafen will take to the field and our skills will be felt by our enemy.

## the tosspot

I want everyone to make sure that your authorizations for schlager, and your membership is current. I recommend that you put these things on your packing list because without them you will not be fighting at war this year.

We also have some excellent fencing events comming up in our great barony. Champions is comming up, and Glory is on the horizon. For more information regarding these great events please check in with Unser Hafen's event calander online. These events will be great fun this year and I am looking forward to seeing you all there!

YIS,

*Lord Nicholas Fenix*, D.S.T.

Rapier Marshal of Unser Hafen

## from the minister of A&S

Unto the Fair Populace of the Barony of Unser Hafen, Canton of Bohfarrach and the College of Ram s Keep does the Minister of Arts and Sciences send greetings.

As we are all in preparation for Estrella War, my thoughts turn to the forth coming season of major Arts and Sciences competitions and classes.

Kingdom Arts and Sciences  April 14, 2007 in the Shire of Drygestan. To register to compete in Kingdom A & S, visit: http://www.outlands.org/forms/ansregform.html

Quest for Camelot  May 17  20, 2007 in the Kingdom of Northshield. This year, the Barony of Unser Hafen had the honor of selecting the theme of the Arts and Sciences competition. The theme is Medieval Romance and it can be interpreted in numerous ways. If you would like information, please email/speak with me. For information on the event, visit: http://www.schattentor.org/quest.html

Unser Hafen s Champions  The A & S competition at this event is very special as the winner of the competition becomes the new Baronial A & S champion. I strongly encourage all artisans to compete in the competition and if you don t feel like competing, please bring your works to display.

Glory X  July 4  8, 2007. This year, the classes are being organized by the current Baronial A & S Champion and A & S Deputy, Lady Gabriella Rizzo, so I know the classes will be wonderful and informative. There is also an A & S Competition and Display. Once again, I encourage everyone to display their artistry and enter the competitions.

Every month, I will continue to send out a missive to the Unser Hafen s email list requesting information about what you have worked during the past month. I request this information for my monthly reports to send to the Kingdom A & S Minister. I feel it is important that every one tries to relay their projects to me because this helps give the

Barony, Canton and College more Arts and Sciences exposure on the Kingdom level thus increasing the glory and notoriety of our glorious home. Some may of noticed that my request for information changed recently as to where I am requesting Mundane name, local group [Barony, Canton, College] and full SCA name [including title] in addition to the projects. This additional information was requested by the Kingdom A & S Minister for the following reasons:

- Recently, the Canton and College A & S offices & officers were placed under the Baronial Office so only one report goes to Kingdom and the Kingdom would like clarification of who lives where.

- Putting Mundane names in the reports make it easier for the Baronial A & S Minister as well as the Kingdom A & S Minister to recommend deserving individuals for A & S awards on the Baronial and Kingdom levels. Knowing the individual s local group and full SCA name also assists in the award recommendation process.

I send out my missive on the 1st of each month and request to have all information by the 8th of the month.

In Service to the Artistic Well-Being of Barony & Kingdom,

Sayyidah Khalidah bint Yahya'a

Arts and Sciences Minister for the Barony of Unser Hafen, Kingdom of the Outlands

## From the Chronicler

As the Tosspot Celebrates it's 25th year of publication, I am running old covers. This month is a holiday appropriate cover from 22 years ago when Baron Kevin (then Lord Kevin) was Chronicler. For my few readers, please enjoy the feast of colorful covers this year. I will culminate with a special 25th anniversary issue in January 2008 that will feature a reproduction of the very first issue as an insert with the same cover in full color on the issue itself.

I also wish to announce that I am looking for a deputy to eventually replace me. I have certain demands about their abilities. Any prospective candidate must be able to canvas the populace to gather artwork, articles, photos, and (most importantly) subscriptions before I will help them with the fine art of typesetting or turn over the office. As the above paragraph indicates, I will remain Chronicler until January 2008. So any reader who has a likely candidate should put them in contact with me. The best way is to call me at 970-402-4863. Don't leave a message. Call until you get me.

In service to the Barony,

Robin of Bristol

## alternative titles in the sca

By Sayyidah Khalidah bint Yahya'a

Many people who partake in the SCA or new to the SCA are unaware that there are alternative titles a person can use for their ↑rank↓ in the SCA. As a user of an alternative title and often having said title confused for my actual name, I have felt inclined to write this little premise about alternative titles.

In July 1994, the College of Arms approved a listing of alternative titles to use within the SCA. The titles span the languages/personas of Romanian, Latin, Italian, French, Spanish, Portuguese, Catalan, Greek, Irish and Scots Gaelic, Welsh, Old English, German, Dutch, Danish, Mid. Norwegian, Swedish, Icelandic, Old Norse, Polish, Czech, Russian, Finnish, Estonian, Hungarian, Albanian, Turkish, Hebrew, Arabic, Sanskrit, Mongol, Chinese and Japanese.

The use of these alternative titles are very appealing for those who have put a great of effort and time into developing their personas and do not feel that the basic approved titles are suiting to their persona.

The basic SCA titles are King/Queen, Prince/Princess, Duke/Duchess, Vicount/Vicountess, Count/Countess, Baron/Baroness, Master/Mistress, Sir [Dame] and Lord/Lady.

Some alternative titles for these basic titles are Righ/Bean-righ, Principe/Principessa, Duce/ Ducesâ, Vescomte/Vescomtessa, Iarla/Baniarla, Thegn/Hlaefdige, Mästare/ Mästarinna, Ur [Uram] and Reb/Rebbah.

The alternative titles listed above are [as listed] Irish Gaelic, Latin, Romanian, Catalan, Scots Gaelic, Old English, Swedish, Hungarian and Hebrew.

By looking at the above list of alternative titles, it is very easy to see why the titles would often be confused for actual names. In the case of some titles, the titles are actual names that are used in the original region and there are multiple spellings available.

However, by SCA heraldry standards, the names that conflict with the approved titles cannot be registered with the same spelling. For example, the Arabic title for Lady is Sayyida[h] and it is also a name. However if the name was spelled Saeedah, it would be eligible to be registered by the College of Arms. If the person named Saeedah was granted her AOA and opted to use the Arabic title, she would be known as Sayyida Saeedah.

I hope this minor glimpse into alternative titles will help encourage persona development and the use of alternative titles.

For a complete listing of the College of Arm↓s Approved Alternative Titles, visit: http://sca.org/heraldry/titles.html

As the far off and distant drums of WAR call to us, many are left to wonder.....Who will plant our crops, take care of our cattle and raise our children while we are away? Who do we trust to pay our ransom should we be in need? Who among our peoples will be left to carry on as the glorious fighters of the Outlands go off to WAR?

As any fighter will tell you, those we leave behind are as important as those who fight next to us.

In the center of the Outlands within the Barony of Dragonsspine, lies a small Abbey where children of the local area are educated and taught the skills and lessons of the day. The pride of the Outlands is its children and these same youth are proud to announce their first ever EVENT. They have spent the year preparing to welcome you as their guests. For this special event they have devised a Tournament like no other...a Tournament to test the skills and mettle of our Kingdom's Consorts.

So, Come one and all to the Dragonsspine Candlemas and Consorts Tourney. Rest a while among your friends and family in our Great Hall. Dance the afternoon away or watch the fighters in the court yard. Yes, there will be FIGHTING and ARCHERY tournaments as well...for those who can handle the cold. Indoor competitions will rule the day as the best of our Kingdom try to impress one another with their skills in the "consortly arts". This is a day to recoup and gather one's strength for the coming battles. This is a day to see who among us is the better Consort.

Lord Tiberius Acilius Brutus (Daniel Duffield) 4479 Fortune Circle South, Colorado Springs, CO (719) 232-5565 no later then 9:00 pm please

Greetings to all and singular!

Gone-a-Viking lately? Why not?! Well here is your chance to make up for lost time! Viking Vinter Vunderland, that crazy, hilarious and silly event is back to cause havoc in the Outlands once again!

Welcome to the event that has no schedule, that has prizes that you fight over to not win and food to fill the belly of even Erik the Red. No matter the weather, no matter the temperature; we will still be out fighting away and warming ourselves with the company of one's friends.

This event is a hallmark in Dragonsspine that carries a storic aura that is only passed in words. Come here tails of past glory on its fields, stories of fighting frivolity and the age old classic of, "In my day, I had to walk up hills full of snow for miles both ways just to get to the fighting field and when I got there, it was so cold my sword broke with but one swing onto my own head!"

So come a-Viking and play games of fun, eat food of great taste and company that could even warm the breath of Scandanavia on its coldest winter's day.
